

Oncology Internship ²⁰²¹

One year Oncology Internship at our multi-disciplinary specialist referral centre. Upon completion of the internship, the successful candidate will be considered for a three-year ECVIM-CA residency.

The Oncology Intern will work within the oncology discipline alongside our three Oncology Specialists. Additionally, there is regular structured learning with intern seminars and evening CPD events. This position would suit a motivated individual wishing to gain in-depth experience and pursue a further career in oncology. This position will be for 12 months from January 2021.

Candidates should ideally have 1 or 2 years post qualification experience in the UK plus have completed a rotating internship. Excellent written and oral communication skills in English are essential.

TO APPLY:

Please send a CV to Josey Killner at josey.killner@ndsr.co.uk or to: North Downs Specialist Referrals, The Friesian Buildings 3 & 4, The Brewerstreet Dairy Business Park, Brewer Street, Bletchingley, Surrey RH1 4QP or call: 01883 741440 for further information.

DEADLINE FOR APPLICATIONS: 30th November 2020

NDSR is one of the leading multi-disciplinary referral-only hospitals in the UK with 25 Recognised Specialists in surgery, internal medicine, ophthalmology, oncology, neurology, orthopaedics, cardiology, diagnostic imaging, dentistry and anaesthesia. The centre is a purpose built state-of-the-art facility.
